

Sprint/Nextel cancels Push to Talk (PTT) Service

June 30th!

Need an alternative to replace this service? Call Action Communications **TODAY!**

Advantages to Two-Way Radios PTT feature:

- ❖ Immediacy of Voice
- ❖ Group-Call Capabilities
- ❖ Better response and/or reaction time
- ❖ Better coordination and control of personnel & resources
- ❖ Better productivity of your operations
- ❖ Timely and accurate information for improved decision making
- ❖ Higher level of safety
- ❖ Lower operating costs
